"Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these."

Welcome, Mrs. Schaubert! New Kindergarten - 1st Grade Teacher

It is hard to believe that the second year of Christian Faith Academy has already arrived! It has been exciting to witness God's hand in the growth and development of this school. The student population doubled from what it was the first year.

Before the second year could get started a lot of work had to be completed. Many renovations occurred to get what is now the new Kindergarten/1st Grade classroom ready. Thank you to those dedicated to knocking down a wall, floor preparation, new carpet, painting, etc. We did it and it looks great. Thank you!

Along with the new classroom, CFA hired a new teacher, Mrs. Dawn Schaubert, for the influx of Kindergarten and 1st grade students! She brings with her a lot of experience and dedication contributing to the success of her classroom.

The students in Mrs. Schaubert's class have been busy as the new year kicks off. After a discussion of the beautiful world that God created through the changing of the leaves, one of the class projects was to create "Fall T-shirts". The students' handprints became trees, and they painted colorful leaves on the trees using their fingers.

We are blessed to have Mrs. Schaubert a part of our staff.

I spy with my little eyes... Preschoolers.

We are very excited about our new preschool program this year.

We would like to give a special welcome to Mrs. Karen Rader, our Preschool Administrator and Lead Teacher. She comes highly recommended from Lorain County with a lot of experience, creativity and passion for teaching children.

It's hard to believe that the first month of school is already completed. It has been a blessing getting to know all of the children and their families. They are a fun addition to Christian Faith Academy.

We would like to welcome our new students Nolan and Reagan, as well as, our first girl who will be starting this month. Mrs. Rader is excited about the boys learning that girls go first.

The preschool children will be starting their writing journals this month and begin focusing on different letters of the alphabet each week. They will also be learning about primary and secondary colors as we experiment with color mixing.

If you know of anyone looking for a preschool, there are spaces available for children ages 3 to school age. We provide various options to accommodate the needs of working families. Please call the school office for more information.

Salt?

Matthew 5:13 begins with the statement "You are the salt of the earth..."

Jesus' words from the New Testament reflect the influence that our student's presence has here at the corner of Park Avenue and Park Place in downtown Ashtabula.

"North Park" is the city park and the location for our morning recess activities. Over the last year the "saltiness" of the CFA students, as revealed through their daily words and actions has slowly influenced the atmosphere in the park. The character of our K-6 grade students has impacted our neighbors in the same way Jesus says we are called to be as salt in scripture.

The testimony of Christian Faith Academy is sovereignly directed by God not only to exist, but also to exist as part of the city-life of downtown Ashtabula.

Pray for CFA. Pray for our students. Pray for our saltiness!

Administrator
